Club Deportivo - Home of Rescue One

Rescue One is the number one activity of our club and is the reason the club was established. Rescue One is a 24/7, 365 days-per-year service that provides a safety net for boaters using the Sea of Cortez and the travelers crossing the Sonoran Desert. It is also the communications hub for emergencies in our community. This service is open to all, not just our members. It is the only service of its kind in Mexico.

The Rescue One VHF radio channel 26.

The new season begins with many activities, and it's refreshing to see our members joyfully participating in all the events that the club has to offer.

Dues payments are a part of the new season. please don't forget that a portion of your dues is allocated to the "Club charitable giving fund" which goes directly to the Kino people, your payment is also an important source of income to help the club function so everyone can still enjoy all the fun activities.

Note: Missing dates normally mean that the wind contributed to boats not going out to fish.
