

Reporting Period: January 23, 2026 to February 25, 2026.

Note: Missing dates normally mean that the wind contributed to boats not going out to fish.

I have a NEW email, if you can send me any fishing news or pictures: lyncurt0@gmail.com

I have been up in Arizona for over a month, but Captain Jack has done a great job collecting data and reports. I assume that the weather has been a little bit cool and windy at times, but some fishing fanatics are still getting out there.

01/23/2026 HILL BILLY YACHT fished the Turner Dead Man area for mainly bottom fish and did not see any Yellowtail.
