

May and June's fishing report for the "For Play".

On May 2nd, we took out Dale and Paula Dearling, Paula caught a 40 lb. fish. White sea bass: Dale caught a nice white sea bass and many large goldie bass while jigging at Turner with bait.

On May 7th, we took Maria Chiechi and her sisters trolling for yellowtail with a Rapala lure at Deadman, then bottom-fished at Turner. We caught no white sea bass, but lots of big goldies and triggerfish.

On May 13, we went out on the Fire Fox and caught 9 really good-sized yellowtail trolling at Turner.

On May 19, For Play went to Turner for bottom fishing and trolling for yellowtail; we caught seven yellowtails but no bottom fish.

On May 21, For Play took out Sandie Burnam's family, Chris and Jen Dallas and caught four white sea bass while jigging, two yellowtails while jigging, triggers, and goldies as well. Great day!

On May 24th, For Play went to Turner trolling for yellowtail and caught 4; we jigged for white sea bass with no luck.

On May 25th, For Play went to San Esteban Island and trolled for yellowtail, getting double hookups all day long, catching 13, and 2 big bonita.

On June 3rd, For Play and the Fire Fox went to San Esteban and trolled for yellowtail, between both boats, we came home with 60 yellowtails.

On June 5th, For Play and Fire Fox returned to San Esteban to troll for yellowtail and jig for bottom fish, catching yellowtail and triggers both off the bottom and while trolling. For Play 25 yellowtail and Fire Fox 30.
