From the Office

The new season starts with many activities, and it is refreshing to see our members so cheerful and participatory in all the events that Club offers, remember that your participation at the club activities is very important for the Club, thank you for choosing the club for over 46 years. Also, In the past two months we have had a fabulous increase in new members, we are so grateful with all of you that invite your friends and family to be part of the Club family, you are the best publicity ever! PLEASE KEEP DOING IT

With the new season comes dues payment. and please keep in your mind that a percentage of your dues goes directly to the “Club charitable giving committee” your payment is an important income to helps the club keep functioning. The club is a big place with many areas to manage, the Club support on so many ways the local community and its own members and the end of the day is a business too and we need your support to keep functioning.

The membership year runs from January 1st to December 31. Annual dues are payable January 1 and incur a late fee as of February 1.

However, you may pay your dues any time before January 1.

As you get ready to pay your dues, please keep in mind the following key facts:

1. You must be an active club member to attend a Club function or use the courts and library. (Active members are defined as either full year or temporary member.)

An unpaid spouse of a member is not considered an active member.

2. Club policy states that a guest may attend two activities/events per season.

3. Use of the courts and Social Hour is considered an event.

4. Temporary members MAY NOT have guests.

You can pay at any time with:

- CASH: Club Deportivo accepts checks in US Dollars and Mexican Pesos. The Club Treasurer and Manager set the internal exchange rate based on fluctuations and predictions from the National Bank of Mexico.

- CREDIT/DEBIT CARDS: Club Deportivo accepts all credit and debit cards (including AMEX) in both foreign and local currencies. Our system automatically adds a 10% surcharge per transaction. But the club pays half of that surcharge.

- CHECKS: Club Deportivo accepts checks in US Dollars and Mexican Pesos. Please see office for the correct spelling before making out your check

- PAYPAL : <https://paypal.me/KinoBayClubDeportivo>

First, I would like to thank Rebecca, Alejandra and Alfonso for the great job they do handling Rescue One each and every day of the year.

Rescue One was established to provide a method for tracking Kino boats going out on the Sea of Cortez, and also for land trips into the rural and desert areas of Sonora. Rescue One begins daily radio service on Channel-26 at 7:00 a.m. If you check out, please remember to check in with Rescue One when you return. For boaters, if you launch before 7 a.m., remember to report in when Rescue One service begins. The daily weather forecast and sea conditions are given when radio service begins each morning. Please use radio channels other than 26 for general communications and boat to boat.

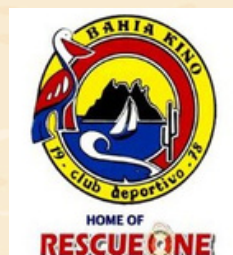

It's been a busy year and I'm happy to report that all the vessels that Rescue One tracked returned safely to port. Some vessels required assistance in returning, but all returned to us safely. We thank those who used their vessels to aid those needing assistance. Remember if you receive volunteer help from another vessel, that person is taking risks, and their time, to help you. Even though it may never be mentioned, when others use their boats for towing your boat, they are using their fuel. It is your responsibility to make sure that person is reimbursed for their fuel.

We are looking for anyone willing to join our list of first responders, as we have lost several of our responders over the last couple of years. If you are willing or able to assist in times of need please contact Rebecca at Club Deportivo or Randy Hattenburg (907-978-3019).

YES KINO! There will be a Live Auction Benefit in 2025!

**The De La Re family has graciously committed to organize this event in conjunction with the Mardi Gras dinner on March 11th.
Watch for details!**

BENEFIT FUN'D'RAISING 2024/2025 – A new approach to the Annual Benefit Dinner.

The annual Benefit Dinner has been a success year after year since 2012, but it's time for a new approach. Rather than the traditional Benefit dinner that packs everything into one evening, the BENEFIT FUN'D'RAISING 2024/2025 Planning Committee is putting together a number of smaller fundraising events that are spread over the season.

The proceeds from each of these events will be combined, and in March the combined total will be distributed as in the past; the Funds being distributed to various groups in the Kino area once their applications have been approved by the Charitable Giving Committee.

The first of the BENEFIT FUN'D'RAISING 2024/2025 events is the Festival of Trees that takes place on December 7th. More events are in the planning stages – Carnival Afternoon, a dinner and live auction, a yard sale – and more.

All event advertising will display this years Benefit Logo

**Watch the calendar for upcoming BENEFIT FUN'D'RAISING 2024/2025 events.
Committee members: Jan Vala, Sheila Kristjan, Cathie Nall, Candice Marsters, Lynne Curtis, Rebeca Mendoza, & Sandie Burnam**

THE CLUB'S CAPITAL FUND is used for purchasing various types of items that are expected to have a lifespan of more than a year. Items purchased from the Capital Fund require Board approval.

While the Capital Fund is primarily funded by an allocation from the Annual Benefit Dinner, various fundraising activities such as Yard and Bake sales, Burnam Bags, Peanut Brittle sales as well as the Bar Tip Jar contribute to the Capital Fund. (The Bar Tip Jar contributed \$561.68 USD to the Capital Fund in Fiscal 2024.)

During Fiscal 2024 the following expenditures were made from the Capital Fund:

3 Kitchen Service Carts
Umbrellas for Outdoor Activities
Large Smart TV with stand
New transformer
Blinds in offices
Smart phone for banking

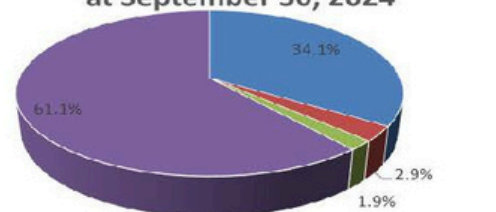

At the end of Fiscal 2024, (September 30, 2024) the balance in the Capital fund was \$22,331 USD.

Fiscal 2024 was a fairly good year for the Club. There were 326 annually paid members, the same as the previous year. There were 43 new members, but unfortunately, we lost the same number of members.

The Bar bettered it's budgeted operating margin by 5.5%, however the Kitchen margin slipped below budget due to increased food costs. This trend is continuing into the current year.

Operating expenditures stayed on budget, apart from electricity, which has doubled in cost over previous years. The Board is currently analyzing the situation with a view to bringing the expense down

Fishing Report

Reporting Period: October 15, 2024 to November 22, 2024.

Note: Missing dates normally mean that the wind contributed to boats not going out to fish. I have a NEW email, if you can send me any fishing news or pictures: lyncurt0@gmail.com

10/31/2024 This is a catch-up report since we arrived later than usual (after staying to vote early). Early reports from mid October described very warm sea surface temperatures in the low '80s. Yellowtail were tough to catch trolling, but bottom fish were providing good diversions for bait fishing or jigging. As the end of October approached I heard third hand reports of nice catches of Yellowtail by those jigging deep with the "iron", as they say. Bonita were also beginning to bite in good numbers and of decent size. I even heard one report of a dorado caught near Dead Man by Tzigine.

10/24/2014 NIGHTWINGS made their first trip of the season to fish around Dead Man and Colorado Risco for nice Goldies and Trigger fish, a couple of nice Yellowtail to 24 to 30lb (on jigs), and one nice Pinto Bass. Other fishermen were trolling and catching Bonita and some Yellowtail.

11/1/2024 DOS PRIMOS caught Bonita and a Sand Shark at Turner. EL PATO trolled for Bonita and Yellowtail at Turner. Most of the boats were trolling and bottom fishing. EL SUENO caught Yellowtail, Bonita, Goldies, and Rockies. GOOD TIMES reported Bonita, Goldies and Triggerfish. KNIGHT FISHER had a nice catch of Bonita at Turner.

11/5/2024 GATOR BAIT trolled around the Turner area for a good catch of Yellowtail and Bonita.

11/06/24 TZIGINE went to Turner trolling for a catch of Bonita and one very nice Yellowtail. KNIGHT FISHER caught Bonita at Turner trolling, and SEA DANCER caught limits of Yellowtail fishing around Turner. Most are using X Rap 30s of just about any color.

11/09/24 SEA DANCER scored big again trolling the Turner area for Yellowtail and bonita.

Fishing Report

11/10/24 SEA DANCER caught near limits of Yellowtail, Bonita trolling, and one nice White Sea Bass jigging at the south end of Turner. KNIGHT FISHER caught Yellowtail while trolling near the lighthouse at Turner. CAPTAIN KAYAK caught a mess of Triggerfish off the point off Windy Ridge

11/11/24 MAYFLOWER got limits of Yellowtail and Bonita trolling at Turner. KNIGHT FISHER fished south of Turner for Goldies and a nice Pinta (Pinto Bass) and Tzigue caught Yellowtail at Turner while trolling. NIGHTWINGS fished around Dead Man for some really nice Goldies, Triggerfish and Yellowtail, SEA DANCER caught Yellowtail, Bonita and a bunch of Mother in Law (Suegra). OVERCAST fished the Turner area for Yellowtail, Goldies, and bottom fish.

11/12/24 SEA DANCER brought in Mother-in-Laws and a Sand Shark while GATOR BAIT got Yellowtail at Turner.

11/14/24 TZIGINE trolled around Dead Man for Yellowtail. DAKOTA caught Yellowtail and Goldies in the Turner area.

11/15/24 DAKOTA fished the Turner-Dead Man area for Yellowtail, Goldies and a 44 pound White Sea Bass (reportedly on the troll). NIGHTWINGS jigged for Goldies near Dead Man. KNIGHT FISHER caught some Mojada near the Christmas Tree area after getting tangled with a gill net up there. They reported a lot of gill net sets off the Christmas Tree beach. SEA SHELL got some Goldies and Yellowtail at Dead Man. ELSUENO caught Corvina at 14 mile reef.

11/18/24 NIGHTWINGS fished off the shore for a couple of Cortez Malibu (Linguado), but saw no Corvina. CAPTAIN KAYAK caught four big Corvina trolling off Red Rock.

11/22/24. Sea Surface temperatures have dropped to around 68 degrees F east of Turner and 65 to 66 west of Turner.
