

A New Season Is Here!

The temperature is cooling down, and with that comes the start of a new season at Club Deportivo!

This new season is already keeping us busy in the Office, with early membership dues coming in and lots of excitement about the activities ahead. We'll kick things off in mid-October with a wonderful breakfast, although our courts have certainly not been quiet—our Summer Survivors have kept them busy all summer!

Every summer, our staff works hard on maintenance, repairs and improvements throughout the Club, and this year was no exception. We had **more than 260 projects** on our list, ranging from landscaping and waterproofing to remodeling the outside bodegas and creating a meeting area upstairs. We have already completed **234 summer projects**, and we hope everyone will notice the progress when you return.

I was also very fortunate this summer that the Board gave me the opportunity to take a training course in **leadership and teamwork**. I am very grateful for the opportunity to reinforce my knowledge, learn new skills and continue improving my performance as Club Manager.

A large part of having a successful season comes from our annual membership dues. Of course, we hope to see everyone back in Kino with us! However, if for any reason you are unable to join us this season, we would greatly appreciate your continued support. Dues can be paid by mailing a check, through PayPal, or by calling the Office with a debit or credit card.

And remember, a percentage of the membership dues we receive goes directly to the **Charitable Giving Committee**, helping us continue Club Deportivo's long-standing tradition of supporting those in need in our Kino community.

We're looking forward to welcoming everyone back and to another great season at Club Deportivo!

Rebeca Mendoza
Club Manager
